Relaying Our Cornerstone

Our 163rd Year

From the East: Worshipful Daniel J. Dailey

February proved once again to be a very busy month for Washington Lodge #20. Our Stated meetings continue to be well attended, along with Fellowship and Education Night. This month we conferred a Double 2nd Degree with Yolo Lodge #195 in our Lodge Room. Both degrees, for Brother Jared Yoshiki from Washington Lodge and Brother Michael DiMasso from Yolo Lodge #195 were outstanding. It was a true pleasure to break bread with our Brethren from Davis and share the work conferring these degrees. Although the degrees were the focus of our evening, we had quite a surprise with over 30 Brothers from the 416th Masonic District, along with AGL Lawler, who dropped in to watch our work! These two Brothers experienced having the sidelines on the North and

South sides of the Lodge nearly full for their degree. Sharing this degree with so many Brothers from around the region will be one of the highlights of my year as Master. Many new friendships were begun, and there is now talk about having additional travelling degrees amongst the Lodges.

On February 20th, Washington Lodge held the annual Past Masters' night. This event was also well attended. Many of our new Master Masons had the opportunity to meet with and learn from the best. Brother Carlos Brusels-Casal was Raised to the Sublime Degree of Master Mason by the Past Masters present. Many Brothers commented after the degree on how much they enjoyed watching our Past Masters confer an outstanding degree.

Also in February, the annual Temple Board meeting was attended by your delegates and officers. Congratulations to Brother Jerry Livingston-Joy who volunteered to hold our Director's seat for another year. Brother Jerry has done an outstanding job working on the Temple Board and in shepherding many long delayed projects such as the air conditioning/heating issues, upgrade to the ballroom and repair of the outside windows. He is very knowledgeable in the operation of the Temple and is an outstanding representative for Washington Lodge. During the meeting the sale of shares in the Temple were approved, with Washington Lodge to purchase eight shares. A beautifully framed Senate Resolution for Worshipful Ken McKiver was displayed at the meeting. Ken's many years of service to the Temple, Sacramento and Masonry in general were recognized. Washington Lodge would like to echo those sentiments. Brother McKiver has always been there to assist me and the Lodge when needed.

In closing, I would like to thank the Brethren that continue to spread the good word about Washington Lodge that has resulted in many new candidates for the Degrees. It is very important that we, as a Lodge, continue to bring in new candidates. It is also important that we should all remember that before signing as a "recommender" for a new candidate, that it is your responsibility to get to know this person and be able to vouch for his character before making any recommendation.

Mark your calendars for our annual Lady's Luncheon which will be held on Saturday March 15th, invitations, are forthcoming. Thanks to Worshipful David Cameron and Lady Joan for planning this special event.

Fraternal greetings from Kingman, Arizona and Masonic Lodge #22. The **Masonic Temple** is a historic building located at 212 North Fourth Street in **Kingman, Arizona**. The temple was built in 1939 for **Kingman Masonic Lodge No. 22**. Designed in the moderne style, it was the second of two WPA Projects in Kingman. The temple is next door to the old post office. With the growth in fraternal organizations, the Masons decided to have their own building. They had been using the IOOF Lodge for some time. Today, the downstairs of the temple is used for office space for downtown Kingman businesses, most notably a local bail bond agency (never know when you are going to need a bail out). Kingman Masonic Lodge and The Order of Eastern Star still meet in the upper floor of the Temple. The temple is on the National Register of Historic Places.

From the South

Scott J. Goode, Jr. Warden

There has been a lot of excitement since the last Trestle Board. Brothers Jonathan Brizuela and Carlos Brussels-Casals were raised to the sublime Degree of Master Mason. They are excellent men with a lot to offer our fraternity.

There was a Roll Call dinner to congratulate the newly raised and to honor and remember our Brothers who are now a part of the Celestial Lodge above. This event was well attended by Past Masters who reminisced about their times as Master of the lodge; whom they served with and who was raised under their watch. It was a touching and up-lifting time for all.

We performed a double second degree with Yolo Lodge. It was well attended and the craft was superbly performed. As we work with and get to know the men of Yolo Lodge, I see that a strong bond has formed and we all look forward to future endeavors together.

Past Masters' night was a great time, especially the second section. The candidate was treated to a humbling experience. If you missed it, you should feel at a loss. It was a pleasure to sit on the sidelines and watch the Masters at work. I was amazed at how they could be professional and lighthearted at the same time.

If you ever have any questions, comments or ideas, please feel free to stop by in the South. The South entrance is always open.

“Happiness and moral duty are inseparably connected.”
