## From the East: Worshipful Daniel J. Dailey

October has been another great month for recruiting and retention of members. As we transition back into the fall weather season, where the rest of the world begins to slow down and start hibernating, Washington Lodge #20 still acts like it is spring! Petitions and applications are coming in steadily, ballots are being cast and many of our new members are continuing their journey from West to East by completing their proficiencies and moving up. Congratulations to Brother Charles Byrd on his recent promotion to Fellowcraft. Please keep showing our new Brothers our commitment to them by being there for their degrees and showing them the meaning of

Brotherly Love by inviting them to your table and spending time getting to know them.

On a sad note, Worshipful Ron Green, PM, Sacramento #40 passed away. Worshipful Green was a friend and mentor to many of us and always a welcome addition to our degrees. He will be missed. Our deepest condolences to the Brethren of Sacramento #40, his family and friends. This month was especially important to me as I had the honor and privilege to be installed as the Junior Grand Deacon for the Grand Lodge of California. I would like to thank those Brothers who were there to share the experience with me. The opportunity to meet Masons from all over California and to perform the Grand Lodge work is truly an experience I will not soon forget. I also enjoy the opportunities I have to highlight the success of our Lodge with Brethren from around the state. Many are taking note of our success and are promoting our efforts within their Lodge.

As we approach the holiday season, please keep your eyes and ears open for those who may be in need of assistance. Washington Lodge stands ready to help with a community service project or a more personal project for a Brother or widow who may have need for help around the house.

November looks to be another busy month with election of next years' officers, several degrees and the beginning of the holidays. A special event will be held on November 9, 2014 to celebrate the construction of the new King's Arena downtown. The Grand Lodge of California will be performing a ceremonial Cornerstone Celebration. Grand Lodge will open at 11AM on the 3<sup>rd</sup> floor. All Master Masons in good standing are invited to attend the opening. The Cornerstone ceremony will commence at 1PM on J Street between 5<sup>th</sup> and 6<sup>th</sup> Streets. White aprons only are approved for wear at the Cornerstone. All Masons and guests are invited to the ceremony. I look forward to ending this year as strong as we started it. Your hard work and dedication to the Craft and to our Lodge is the cornerstone of our strength. Our cornerstone continues to be plum, straight and level.

## From the West

Michael P. Quinn, Sr. Warden

I have returned from the Southwest and had a great time visiting brethren, friends, & family along the way. I was able to retrace a portion of the Southern section of the Old Mormon Trail and visited some of the Historical Markers along the way. From Denver you head west to Grand Junction, Co; there you start to pick up markers along the way, Green River, Castle Dale, & Ceder City.

Take a short run back east to pick up the St. George Junction of the Southern Trail. You can head south to Page Motor through the East Gate of the Grand Canyon and down Highway 40 to Kingman, then northwest to Vegas; or stay on the northern most route to Las Vegas traveling through Red Rock Canyon. It is a beautiful journey and I am amazed so many of the Pioneers made this effort on foot.

I also received sad news that a good friend and Mason, Ronald M Green of Sacramento #40 had passed. **His Memorial Service will be held on November 22 at the Scottish Rite Temple.** He will be missed.

# From the South

Joseph "Scott" Goode, Jr. Warden

I just got back from two weeks of Grand Lodge Annual Communications and Grand Chapter for Eastern Star. If you ever get a chance to go to either, I highly recommend it. They are very informative and inspirational.

Our new Grand Master is Most Worshipful Russell Charvonia. He continues the strong support we have for the various charities under the California Masonic purview such as Mason4Mitts and Raising a Reader programs. Most Worshipful Charvonia has put together a video message which you can view at [freemason.org](http://freemason.org). He is putting together a series of videos titled **"On the Level with Grand Master Russ Charvonia."**

It was a pleasure to see Worshipful Dan Daily installed as Junior Grand Deacon. The Grand Lodge installation ceremony is beautiful. There are many more elected and appointed positions than in Blue Lodge and each position comes with great responsibility. Please congratulate Worshipful Daily the next time you see him. I am sure he will be glad to answer questions about what Grand Lodge is about.

We are close to electing our Lodge Officers for the 2015 term. It is very important to be at the November Stated Meeting so that you can vote and be a part of the election process. If you have any questions about the election process or appointments to non-elected positions, please ask any Warden or the Master of the Lodge.
